

## SPARTA WATERLINE REPLACEMENT & STREETScape PROJECT

UPDATE AS OF: JULY 29, 2019

To: The citizens of the Town of Sparta and Alleghany County.

This will provide you with the most recently updated information regarding the Sparta Streetscape Project.

- The project received approval from the LGC. Interim financing approved through BB&T.
- All financing with USDA is confirmed.
- Vannoy & Sons Construction, Inc. is the general contractor for the project.
- Contract documents have been signed and submitted to USDA for final approval.
- USDA must review and approve all final documents.
- We hope to receive Notice to Proceed and schedule a pre-construction conference with the contractor within the next two weeks.
- It is our hope that construction can begin in late August or early September.
- We will keep you apprised of progress and any significant changes that may occur.

The Sparta Town Council sincerely appreciates the support of our county commissioners; thank you.

Wes Brinegar, Mayor  
Town of Sparta
