

**WATERLINE REPLACEMENT AND STREETScape
PROJECT UPDATE AS OF
Friday, December 13, 2019**

Construction schedule for the week of December 16th; work will proceed as the weather allows, as follows:

- Storm drain construction will begin at Doughton Street, going south toward the Jubilee. The construction will occupy the parking spaces from Jubilee to Doughton Street.

Closure of Main Street from Doughton Street to ABC Store to lay storm drain pipe across the street.

Portion of Main Street will be closed at Doughton Street to all traffic beginning at 8:30 a.m. on Thursday morning, December 19th, and also closed on Friday, December 20.

The street will be open to traffic as soon as the drain pipe is installed, but the work will take most of the day.

Parking will be open to businesses on North Main Street.

- The waterline service connections from Grandview to Whitehead Street will continue, weather dependent.

Traffic patterns will be similar to last week, with the center lane being used as a travel lane as necessary.

More specific details of the construction schedule will be published as soon as possible.

The Main Street is open for business. All businesses are open for their regular business hours and many businesses will have extended hours over the next two week.

Thank you for your patience, cooperation, and understanding. If you have questions or need assistance, please feel free to call the town office at 336-372-4257.
