

**STREETSCAPE CONSTRUCTION
PROJECT UPDATE AS OF
Tuesday, February 11, 2020**

Schedule for construction of foundations for Mast Arm Traffic Signal Poles

**This work will be at the main intersection, US 21 & Whitehead Street.
There will be a partial closing of Main Street at the intersection.**

- 1. Thursday, February 13, the contractor will begin construction of the foundation for the large mast arm traffic signal poles at the corner in front of the Courthouse.**
- 2. The second foundation work will be at the corner building of Ofelia's On Main, and Kathy's Kreations Bakery.**
- 3. There will be a partial closing of Main Street as the contractor sets up the rig to excavate the holes for the foundations.**
- 4. During this phase of construction, the traffic pattern will be as follows:**
 - US 21 southbound traffic will have to turn onto Whitehead Street, east or west.**
 - US 21 northbound traffic will have to turn onto Whitehead Street, east or west.**

The road closure will begin at 8:00 a.m..

This construction will be complete in one day.

After the mast arm foundations are complete, the storm drain construction on North Main Street will be completed.

- 5. There will be a storm drain crossing from the ABC Store to First Community Bank that will require closing of a portion of the road.**

**Thank you for your patience and understanding.
Bryan Edwards**
