

# **STREETSCAPE PROJECT UPDATE AS OF**

**Friday, May 29, 2020**

Traffic patten will change next week, as of Wednesday, June 3, 2020.

**Main Street will be CLOSED, from Whitehead Street to Cheek Street.**

**Milling and demolition of the street and sidewalks will begin on Wednesday morning, June 3. This closure will continue for a period of 6 – 8 weeks, until new sidewalks are complete.**

Construction will include demolition of the entire street and sidewalks.

**At this time, all businesses on South Main Street will be impacted. The schedule for sidewalk construction will be coordinated with each business by the contractor.**

- **WHITEHEAD STREET will remain open to traffic at this time.**
- **Cheek Street WILL BE CLOSED at the intersection only.**
- **Access to Charlie's Country Store available from Jones Street.**
- **Access to BB &T and Main Street Pizzeria available via Grayson Street and Cheek Street.**
  - **All local traffic will be detoured around the construction zone.**

The construction work on South Main Street, between Whitehead Street and Cheek Street will continue complete. I will be providing regular updates on the sidewalk construction schedule.

All street and sidewalk on the south-side will be demolished and re-build, same as the north-side.

Construction is on schedule. We appreciate your continued patience and understanding.

Bryan Edwards – 336-372-4257
