

**STREETSCAPE
PROJECT UPDATE AS OF**

Tuesday, August 11, 2020

The main intersection of US 21 and NC 18 is closed to all traffic at this time, and will remain closed until the new traffic signal is installed.

The mast arm traffic signal poles have arrived and installation has begun.

Traffic patterns will remain the same.

Main Street is closed to thru traffic from Doughton Street to Cheek Street.

The main intersection will be closed for the installation of the mast arm traffic signal arms. The intersection will be closed for a period of 10-12 working days, while construction is underway.

- **All local traffic will be detoured around the construction zone.**

At this time, all businesses on Main Street will be impacted.

Sidewalk construction is proceeding on schedule and should be complete by the end of next week; Friday, August 14.

We appreciate your continued patience and understanding.
